

UTILITY CATALOG

E-2303

AISC
CERTIFIED
FABRICATOR

WELCOME!

DMP (Dixie Metal Products, Inc.)
is proud to introduce our
Utility Catalog 2021/22
Edition.

Design

Our Sales and Drafting departments are eager to work with our customers and turn their needs into new designs and solutions of any type of structural, miscellaneous, or utility metal products.

Custom Fabrication

Along with the products in this catalog, DMP also manufactures custom made-to-order fabricated products that meet the engineer or end user specifications.

Materials & Finishes

DMP products are available in a wide variety of materials. Our products are made from aluminum alloy, carbon steel, high-strength steel, or stainless steel, and a selection of surface protection treatments, such as anodizing, galvanizing, and shop prime.

About Us :

Our founder, **John L. Schnorr**, established DMP (*Dixie Metal Products, Inc.*) in 1967, with a vision of fabricating quality structural and miscellaneous metals.

Today, after more than 50 years of a family tradition, DMP became a full-service metal fabricator with a facility of over 100,000 sq. ft. located in Ocala, Florida.

Approvals & Specifications

We operate in accordance to the following standards and certificates:

AISC (*American Institute of Steel Construction*)

AWS (*American Welding Society*)

NOMMA (*National Ornamental and Miscellaneous Metals Association*)

YOKE PLATE, TRIANGULAR

SERIES 7001
DEC 15, 2020 / REV-1

Materials:
STEEL A36 OR A572

Finish:
HOT-DIP GALVANIZED (ASTM-A123)

Dixie Metal Products, Inc. offers triangular yoke plates with a wide variety of sizes, hole spacings, ultimate strengths, and material, which may be used in suspension and dead-end applications.

Please see dimensions and ultimate strengths on Page G-04.
